Message from the President

Hi Members,

Our last show of the year is over and while most members are winding down and starting to think about winter, plans are already being made for next year's show season. Dates and locations have been selected and are listed elsewhere in the newsletter.

2016 will see many changes. For those of you not aware, I have been your show manager for the past eight years. It has been a job both challenging and rewarding but the time has come for me to pass the baton. While a new show manager has not yet been decided on, the 2016 show committee is in place and I am confident they will do a great job for us.

Patsy and Beth, the backbone of the show office, are also stepping down after eight years. They have done a terrific job and will be incredibly missed. I can't thank them enough for all they have contributed to this club and our shows.

The new ARHA rule book will be coming out in 2016 (something that happens every two years). I have been told there may be several changes. New books are sent out with membership cards so get your renewals in early for 2016. As a member, it is your responsibility to know the ARHA rules. Don't wait until the first show to renew your membership (you would be surprised how many people do just that) and then be in the dark about any changes.

Our awards banquet will be held on December 12th, and for those of you still looking to show your horse(s), the Midwest Ranch Horse Classic is just a few weeks away.

Thank you all for your support this year, hope you had fun and see you in December.

Susan Hilbrand, WRHA President

Calling all horse show photographers! Please locate your favorite digital photos from any of the 2015 WRHA shows or events and submit them to Brenda Wolfe at wolfe.equestrian@gmail.com prior to Nov 28th. These photos will be shown at the banquet. We are also looking for members to share a horse related photo of themselves from their "younger" years for a fun activity that we will have at the banquet. Deadline for the photos is also 11/28. If the photo is not digital, please take a digital image of the hard copy so you can submit electronically. Looking forward to seeing some of those "vintage" photos of our WRHA members.
